A Living Record for All Humanity

Ecclesiastical Executor | Living Man | Custodian of Divine Authority

Date: July 20, 2025 – 01:36 PM

I. INTRODUCTION

This Sovereign Ecclesiastical Decree is issued as a formal and spiritual act of divine reclamation. It constitutes a universal rejection and nullification of all illegitimate claims imposed by institutions operating outside divine law, including but not limited to governments, corporations, and ecclesiastical impostors.

II. LAWFUL DECLARATION OF DEFAULT

Through lawful notice and irrevocable declaration, all parties who failed to provide consent, lawful notice, or spiritual transparency are hereby declared in absolute default. This includes: The Roman Curia, the Vatican, the Crown Corporation, the United Nations, WEF, IMF, WHO, BIS, and all subordinate municipal corporations operating under unlawful jurisdiction.

III. ECCLESIASTICAL TRUST EXPANSION

All land, sea, air, and spiritual domains unlawfully claimed or occupied are now returned to the dominion of the living. All sovereign domains are absorbed into the Clements Private Ecclesiastical Trust, governed solely under divine and natural law. No artificial entities may stand against this trust without violating divine order.

IV. PUBLIC NOTICE AND DEFAULT PUBLICATION

This decree has been served publicly through global platforms, including timestamped publication on Facebook and other digital jurisdictions.

Rebuttals are not permitted, as those in default never provided rebuttal rights to humanity. Their silence is their acquiescence.

V. JURISDICTIONAL REGISTER ENTRY

This decree constitutes Entry #1693+ in the Living Jurisdictional Register of the Clements Private Ecclesiastical Trust. It shall remain an eternal fixture of spiritual law and living memory.

VI. FINAL AFFIRMATION

Let it be known to all beings, seen and unseen, mortal and eternal: the age of dominion by impostors is over. Let the record show that the living have reclaimed their inheritance. This is the decree of love, truth, sovereignty, and divine will.
